

SEX AND THE CITY- Season 4, Episode 15

Carrie and Miranda are in a shoe shop.

Carrie

Why are you doing this to me? I can't buy shoes.

Miranda

I have to buy shoes. None of my old ones fit. Even my feet are fat.

Carrie

These are pretty.

Miranda

I'm looking for comfortable.

Carrie

Then I'll try these for you. Excuse me, sir, could I try these please, in a 7.5? And these. I guess, just all of these. But, sir, no matter what happens in the next 20 minutes, under no circumstances am I to buy these. I'm just trying them on for fun.

Salesman

How fun for me.

Miranda

Could I try these in a nine?

Salesman

Sure.

Miranda

Thanks.

Carrie

What is that smell?

Miranda

Sorry. I've learned to control the sound now, but not the activity.

Carrie

That's just mean. Damn! How'll people know to scatter without a warning?

Miranda

Although, maybe it's not that I control the noise as much as my ass is so big the sound is now muffled. Look at my fingers. They're like sausages. I can't even get my ring off. I'm telling you, the fat ass, the farting, it's ridiculous. I am unfuckable and I have never been so horny in my entire life.

Carrie

Really?

Miranda

Yeah. That's why you should be married while pregnant, so somebody is obligated to have sex with you. I'm an undesirable.

Carrie

No. I am. The lady at the bank said I was an unattractive candidate for a loan. Where did all my money go? I know I've made some.

Miranda

At \$400 a pop, how many of these do you have? Fifty?

Carrie

Come on.

Miranda

A hundred?

Carrie

Would that be wrong?

Miranda

100 times 400, there's your down payment.

Carrie

That's only \$4,000.

Miranda

No, it's \$40,000.

Carrie

I spent \$40,000 on shoes and I have no place to live? I will literally be the old woman who lived in her shoes.

(Miranda tries to pull the very tight ring off her finger and farts)

Miranda

I pulled my own finger. I'm a walking whoopie cushion.
